Enrollment is ongoing for **Math Kangaroo 2012**, a non-selective mathematics competition open to all students from first to twelfth grade.

The date of the competition will be: **Thursday, March 15, 2012** at 6 P.M. at most [centers](#).

- All students are welcome, and each participant will receive a certificate, some gift, and a t-shirt on the test day.
- Competition exam has format of a multiple choice test, and lasts 75 minutes.
- Awards for the top winners include free [international summer camp](#) and college grants.

Participation fee is \$20 per student. In some cases, fee is paid by schools. Registration ends 12/31/2011.

Teachers are welcome to join our team and bring Math Kangaroo to their classrooms. We are helping students love math nationwide.

For information please visit our web page www.mathkangaroo.org or send e-mail to info@mathkangaroo.org.
